Questions 18–23

There are exactly three recycling centers in Rivertown: Center 1, Center 2, and Center 3. Exactly five kinds of material are recycled at these recycling centers: glass, newsprint, plastic, tin, and wood. Each recycling center recycles at least two but no more than three of these kinds of material. The following conditions must hold:

- Any recycling center that recycles wood also recycles newsprint.  
Every kind of material that Center 2 recycles is also recycled at Center 1.  
Only one of the recycling centers recycles plastic, and that recycling center does not recycle glass.
18. Which one of the following could be an accurate account of all the kinds of material recycled at each recycling center in Rivertown?
- (A) Center 1: newsprint, plastic, wood; Center 2: newsprint, wood; Center 3: glass, tin, wood  
(B) Center 1: glass, newsprint, tin; Center 2: glass, newsprint, tin; Center 3: newsprint, plastic, wood  
(C) Center 1: glass, newsprint, wood; Center 2: glass, newsprint, tin; Center 3: plastic, tin  
(D) Center 1: glass, plastic, tin; Center 2: glass, tin; Center 3: newsprint, wood  
(E) Center 1: newsprint, plastic, wood; Center 2: newsprint, plastic, wood; Center 3: glass, newsprint, tin
19. Which one of the following is a complete and accurate list of the recycling centers in Rivertown any one of which could recycle plastic?
- (A) Center 1 only  
(B) Center 3 only  
(C) Center 1, Center 2  
(D) Center 1, Center 3  
(E) Center 1, Center 2, Center 3
20. If Center 2 recycles three kinds of material, then which one of the following kinds of material must Center 3 recycle?
- (A) glass  
(B) newsprint  
(C) plastic  
(D) tin  
(E) wood
21. If each recycling center in Rivertown recycles exactly three kinds of material, then which one of the following could be true?
- (A) Only Center 2 recycles glass.  
(B) Only Center 3 recycles newsprint.  
(C) Only Center 1 recycles plastic.  
(D) Only Center 3 recycles tin.  
(E) Only Center 1 recycles wood.
22. If Center 3 recycles glass, then which one of the following kinds of material must Center 2 recycle?
- (A) glass  
(B) newsprint  
(C) plastic  
(D) tin  
(E) wood
23. If Center 1 is the only recycling center that recycles wood, then which one of the following could be a complete and accurate list of the kinds of material that one of the recycling centers recycles?
- (A) plastic, tin  
(B) newsprint, wood  
(C) newsprint, tin  
(D) glass, wood  
(E) glass, tin

Although your study strategies can evolve as you advance in your educational career, here are tips and advice to help you get the Outside of your study sessions. configure your spacene study of the effective ways to make the most of your study sessions is to configure it correctly. keeping a table tidy means you will have enough space to display all the necessary papers and books, without dealing with distractions u disorder of other classes u tasks. In addition, it is advisable to prepare snacks and basic water so that you can stay nurtured while studying. and above all, turn off the phone and avoid listening to the internet for unrelated tasks to keep your focus. when you are starting with the study, take a look at the notes you have from the class. this may require you to organize them. review all important points and reread parts of the book. If there is much content to go through, consider reviewing your notes before and after class, to keep the information new in your mind. you about which subjects and topics should be in the test. this helps to focus on the areas you need to review more. create a study schedule that you are studying for a great test u exam, do not plan to do all the last-minute study. cramming may seem attractive, but it can be stressful and not as effective as a thought schedule. creating a study schedule with the exam date in mind helps track your studies and offers time to ask questions before the test. start a study group if you work well in a group environment, consider starting a study group. is a way to collaborate with other people, ask questions and help other people with things they may be struggling with. teaching the material to classmates can be an effective tool to get a complete understanding of the topics. vasc studies are important, the same happens with pauses. sitting on a table for hours can be draining, that make sure space for yourself for yourselfStand up, stretch or even take a short walk. An explosion of exercises can help you clear your head and motivate yourself for another round of studies. More than ReethonsAnswered.net, no matter how many years you have, there is always room for improvements when it comes to studying. If you're taking the biggest exam of your life or know that your teacher or teacher will give a pop quiz soon, the efficient study is a great way to be prepared. Create a routine of the best things you can do for yourself, whether you are in the fifth grade or college, is to create a habit. A useful way to do this is to find a way to incorporate it to your daily routine at the same time every day. Maybe it's after dinner or good when you get home from school. Find the time that works for you and sit to study and deal with any homework you have at that time every day or as many days as possible. Everybody's there. You wait until the last minute to study and do everything at once. It's not just exhaustive, but you probably don't even remember half of what you study. That's why it might be better to break it and do a little every day. If you have a great project coming in a few weeks, divide it into steps and take one of the steps every day until it is completed. If you have a lot of reading to do, divide it into chapters or pages and read a section every day. Sleep a little, which can be tempting to stay awake all night studying before a great exam, it is better to sleep. Your brain and memory work better when you rest, so you can keep more information and do better on your test. If you haven't had an entire night of sleep, consider napping briefly during the day to help recover sleep. Clear your mind before sitting to study, make sure you have clear and not focused on anything else. Take itWalking, listening to some mother, reading a book or making some excerpts. Tries meditations. I do whatever it takes to have your mind in the right mood for study time. Be sure to take breaks while you study as well. Rest for five minutes every 30 to 60 minutes can help you retain the information. Create the environment certainly. create a good study environment. It can be difficult to pay attention when the TV is on or when you are constantly receiving texts from friends. Turn off the devices. If you do not do well with Siléncio, use a background fan, or turn on a robe. You may find it more effective to study moms that don't have lyrics. Make sure you are comfortable and organized. You will also want to be sure that you have a lot of water and some healthy snacks in the mother, if you will be studying for a while.
