TopFX requires no minimum deposit for traders to open an account. EAAcAÁÁ Account Opening: The online application form requires less than two minutes to complete and requires minimal personal information. New traders must provide their name, e-mail, phone number, and desired trading platform, together with their preferred language and country of residence. Account verification remains a mandatory step to complete the swift registration process, complying with AML/KYC stipulations from its regulators. Most clients will satisfy it by submitting a copy of their ID and one proof of residency document. EAAcAÁÁLeverage EAAcAÁÁThe maximum leverage is 1.500 for Forex, 1.200 for indices, metals, and energies, 1.20 for stocks, 1.10 for cryptocurrencies, and 1.20 for ETFs. EAAcAÁÁSpreads & Commissions EAAcAÁÁThe minimum spread is 0.0 pips for EURUSD, 0.1 pips for EURGBP, 0.5 pips for German 30 Index, 3.0 pips for XAUUSD, and 0.2 pips for XGUUSD. The minimum spread for raw accounts starts at 0.0 pips, and the trading commission is \$2.75 per lot per side. Zero accounts have a minimum spread starting from 0.5 pips, and no commissions are charged. EAAcAÁÁTrading Platform EAAcAÁÁTopFX offers traders two high-performance trading platforms in the retail sector, MT4 and cTrader. Both support automated trading solutions, occupying the top two spots in this sub-sector. Copy-trading is equally available at both via the built-in function. TopFX upgrades the sub-standard core MT4 with the MQL Suite of Trading Tools, valued at \$100 per month, free of charge, while cTrader presents the best out-of-the-box solution for ECN trading. The trading platform choices at TopFX are excellent and show that the understands the needs of traders. Traders can opt for an updated MT4 negotiating platform as an alternative.
